Report of Principal and School Improvement Council

Forest Hills Elementary is located in the heart of historic Walterboro. Our current enrollment of 575 students includes a diverse population of students. Our students, faculty, and staff have worked diligently once again to make the current school year a great success.

Positive Behavior Intervention and Support (PBIS) was continued school-wide, and discipline referrals decreased by an average of 50% this year. We also continued with single-gender classes in third, fourth, and fifth grade. NWEA's Measures of Academic Progress (MAP) test data was analyzed to drive our instruction and meet the needs of all of our students. Students, faculty, and staff participated in various community outreach events, such as: American Cancer Society's Relay for Life, Food Drive to support a food pantry at a local church, and Jump Rope for Heart.

Technology in the classroom was expanded through the continued use of SMARTBoards for all of our first through fifth grade teachers by engaging students in active learning. Smart Document cameras were also purchased and used by our teachers. Differentiated instruction was provided through small, flexible groups and provided intervention and instruction based on students' MAP scores (Measure of Academic Progress). We participated in Reading First for the sixth year. Our school had a Literacy Coach and three Reading Recovery/Small Group Interventionists. We also had two part-time interventionists to work with our students in Reading and Math. Our teachers worked diligently to provide data-driven instruction to meet the needs of our students.

Student progress and success were celebrated through perfect attendance, honor roll, and quarterly recognition ceremonies. Forest Hills Elementary is a school where "pawsitive" attitudes are working together for success!
